boston

Of all the cities in America, none is more charming, more historic, or more fascinating than Boston. A city of great contrasts and color, Boston is 18th Century Bulfinch and towering modern architecture; narrow cowpath alleys and sweeping super-highways; a city of scholars and sailors; of the smell of old books and the tang of fresh sea air; of the rich, round sound of the Boston Symphony Orchestra and of new jazz forms in the intimate little after-dark clubs. Her universities make her a world center of education, medicine, culture, research, electronics, art and the theatre.

You can climb Bunker Hill, walk the decks of "Old Ironsides" in Boston Harbor, explore the handsome State House, an American architectural masterpiece by Charles Bulfinch, on Boston's storied Beacon Hill, stroll the mall of Commonwealth Avenue in the Back Bay and see the mansions that line this gracious, tree-shaded boulevard . . . homes of "the proper Bostonians" of another era; explore the charming, narrow winding gas-light streets that meander around lovely old Louisburg Square on Beacon Hill with its handsome 18th Century homes and intriguing doorways.

Culturally, for over a century, Boston has been referred to as "The Athens of America". Its museums alone attract visitors from all over the world. The Museum of Fine Arts, one of the nation's finest, houses the western world's leading Asiatic art collection. The Institute of Contemporary Art is Boston's modern art "showcase". The Museum of Science, overlooking the Charles River, is a lively place where education and recreation go hand-in-hand . . . a wonderland of nature and science with pushbutton exhibits and exciting daily demonstrations. Adjoining it is the equally interesting Hayden Planetarium. Across the Charles River, in Cambridge, on the Harvard campus are the Fogg Art Museum, the Busch-Reisinger Museum, the Carpenter Center for the Visual Arts, and the Harvard Museum which includes the Agassiz and Peabody Museums with their celebrated exhibits. At M.I.T., you can visit the Hart Nautical Museum and many other fascinating scientific and art exhibits. For the youngsters, Boston has a Children's Art Centre and a Children's Museum. And for everyone — Boston's new Aquarium.

Today, Boston's Freedom Trail brings alive for visitors who follow it, names like Paul Revere, Old North Church and Boston Tea Party. The Freedom Trail runs from the Common to the Old North Church. In its path you will see the birthplace of Ben Franklin, Faneuil Hall, Kings Chapel, Paul Revere House, Old South Meeting House, Copp's Hill Burying Ground, and the Boston Massacre site among almost countless other historic landmarks.

Throughout the centuries, Boston has given America many gifts: patriots of old and statesmen of today; clipper ships and ocean liners cruising the seven seas; pioneers to settle the wilderness; scientists to split the atom; and the financial backing which has built the nation's industries. Boston is a city of many nationalities, of sports champions, of unique stores and restaurants, of great transportation gateways like Logan International Airport, leading to the lands beyond the horizon.

Turning to the world of sports, Boston's chief claim to fame is as the home of the Red Sox . . . as well as of the Bruins, the Celtics and the Patriots. Boston offers other spectator sports like thoroughbred racing, night dog and harness racing, and the National tennis championship matches on the famous Longwood courts.

In addition to all this, Boston is a resort city . . . offering golf, tennis, deep-sea fishing, sailing and swimming. The salt water beaches and parks are among the finest of any major population center.

Boston is a big theatre town with pre-Broadway tryouts, national touring companies performing Broadway "hits", and "little theatre groups" keeping the theatres filled. New movie theatres show first-run features and experimental "underground" films.

Musically speaking, Boston offers a rich and varied choice the year round...the world-renowned Boston Symphony Orchestra, Pops Concerts, Esplanade concerts on the banks of the Charles River, chamber music groups, celebrated artists in recital at Jordan Hall and Symphony Hall, Opera, choral groups, jazz groups, and band concerts on the Common.

Boston, the home of the late President John F. Kennedy, is a bustling, upward-thrusting city with its new Government Center, Prudential complex and newly-rising towers, in the midst of which sit the serene Public Gardens and the pond on which glide the timeless "Swanboats", another Boston landmark.

Boston is a city of beautiful spring twilights, of quiet autumn haze, of soft winter snows, and cooling Atlantic breezes in summer. So enjoy the historic sites of "Old Boston". But don't overlook the "New Boston" . . . a great city with a glorious heritage and a new horizon.

Great efforts have been made to publish the most accurate Boston Street Guide possible.

Given the size and amount of change occurring in the Boston area, however, it is almost inevitable that some inaccuracies will occur.

The publishers would appreciate receiving information from users of the Guide on missing streets, streets that have been altered or torn down, and similar changes. All corrections will be included in the next edition of the Boston Street Guide.
